

## New! John A. Moran Eye Center Offers Expanded Payroll Deduction Program for LASIK to University of Utah Employees

Previously University of Utah faculty and staff have been able to use payroll deductions, spread over several pay periods, to conveniently purchase Eyeglasses, Sunglasses, Contact Lenses and Accessories at the Moran Eye Center and our eight convenient Community Optical Shops.

**Now we offer LASIK surgery performed by our world-class**

**ophthalmic surgeons as a payroll deduction program** to all full time University of Utah Employees with two years or more continuous employment at the U. Having your LASIK spread out over 24 paychecks makes it so much easier to enjoy the benefits of vision correction surgery TODAY. You'll save money from the day you have surgery by not having to buy contact lenses and solutions from now on. Let alone the hassle free freedom that LASIK will give you.

Please visit the Moran Eye Center website at

**[http://uuhsc.utah.edu/MoranEyeCenter/patient\\_care/mvc/mvc.htm](http://uuhsc.utah.edu/MoranEyeCenter/patient_care/mvc/mvc.htm)** for **Moran** more information regarding our state-of-the art LASIK program.

### **Three-easy-steps:**

1. Schedule a free screening to see if you are a candidate for LASIK surgery.  
(801-581-2352)
2. Discuss Options with your LASIK Coordinator.
3. Sign the Payroll Deduction Form.

### **Here is how you can qualify for LASIK payroll deduction at the Moran Eye Center:**

- 1 - Full time employees at the University of Utah
- 2 - Minimum two years continuous employment.
- 3 - Payroll deduction no longer than 12 months (24 pay periods)
- 4 - \$3700 maximum, which will cover Custom LASIK (\$154 per pay check)
- 5 - One LASIK payroll deduction per employee family per year.
