

University of Utah Alzheimer's Center

December 2009 Events

- **Neurology Resident Lecture: "Behavioral Complications of Systemic Disease"**

Tue Dec 1 at 12:00pm | Room 2958, Health Sciences Education Building (HSEB), University of Utah
Presented by Paul J. Carlson, MD, Assistant Professor of Psychiatry.

- **ABC's of Alzheimer's and Other Dementias**

Offered Dec 2 and 16 | Please call (801) 265-1944 or (801) 581-4771 for times and locations
This free workshop explores the basics of Alzheimer's disease and related memory disorders, for recently diagnosed individuals and their families or caregivers. Offered twice monthly by Health Educator, Kathy Moran.

- **Community Q & A: The Alzheimer's Project "Momentum in Science"**

Mon Dec 7 at 7:00pm | Social Hall, Jewish Community Center (2 North Medical Drive), Salt Lake City, Utah
Join us at the IJ and Jeanné Wagner Jewish Community Center for a special, FREE showing of the HBO documentary, "The Alzheimer's Project: Momentum in Science." This documentary was supported by the National Institute on Aging (NIA) to help raise awareness and understanding of Alzheimer's research and care. After the film, the audience will be able to discuss their questions with Edward Zamrini, MD, Associate Professor of Neurology and CACIR Director of Clinical Trials.

- **Neurology Resident Lecture: "Parietal and Occipital Syndromes"**

Wed Dec 16 at 10:00am | 1st Floor Auditorium, Clinical Neurosciences Center, University of Utah
Presented by Gordon J. Chelune, PhD, ABPP(CN), Professor of Neurology and CACIR Senior Neuropsychologist.

- **Neurology Resident Lecture: "Pharmacology of Aging and Dementia"**

Thu Dec 17 at 12:00pm | Room 2958, Health Sciences Education Building (HSEB), University of Utah
Presented by Edward Zamrini, MD, Associate Professor of Neurology and CACIR Director of Clinical Trials.
